

The four categories and funding levels are;

IMPROVED LIVEABILITY

Housing that has been designed to improve 'Liveability' by incorporating a reasonable level of physical access & enhanced provision for people with sensory, intellectual or cognitive impairment.

FULLY ACCESSIBLE

Housing that has been designed to incorporate a high level of physical access provision to people with significant physical impairment.

ROBUST

Housing that has been designed to incorporate a reasonable level of physical access provision and be very resilient, reducing the likelihood of reactive maintenance and reducing the risk to the participant & the community.

HIGH PHYSICAL SUPPORT

Housing that has been designed to incorporate a high level of physical access provision for people with significant physical impairment & requiring very high levels of support.
